Dressing for the Weather

We all know that Michigan has very unpredictable weather. Be sure your child is ready for the changes. Students will be outside for two recesses a day and they should be prepared with coats, hats and footwear that are appropriate.

We do expect that children will go outside during recess periods, unless the temperature is an actual 10 or the wind chill is -10.

Being dressed appropriately makes the recess periods a pleasant time to get some fresh air and “recharge the batteries” for another round of classroom learning.
